IN RE: Application of Heater Utilities) ORDER GRANTING
for Approval of an Increase in) REQUEST TO WITHDRAW
its Water Rates and Charges.) INTERVENTION

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request to withdraw intervention of Mr. Eddie Turner, Fire Chief of the South Congaree Fire Department. Mr. Turner notes that the Commission's Rules and Regulations require participation by an attorney admitted to practice in South Carolina when the interest of any person or group of persons with interest other than the intervenor's individual interests are to be represented. Turner states that as a paid Fire Chief of the County of Lexington, that he would be representing interests other than his own individual interests if he appeared as an intervenor at the hearing. Turner, therefore, requests permission to withdraw his intervention in this matter. The

Commission has examined the request and believes that it should be granted for the reasons stated above. This Order shall remain in full force and effect until further Order of the Commission.
